CASE NO. 10 C 4603

Judge

Jaeger L. Alonzo

MOTION Enforcing A Judgement
For A Specific Act Pursuant to
F.R.C.P. Rule 70 (a)(1)(B).

Come now Scott Peters Prose and in support of this motion enforcing a judgement for a specific act pursuant to F.R.C.P. Rule 70 (a)(1)(B):
AVER as follows:

1. This motion Accompanied moves motion to enforce setting of his claim for which intervention is sought.
 2. To Perform the act of Providing Healthcare as outlined by the Pain Clinic of Southern California University Hospital Pain Clinic suggested by Angela Garin and Moldenbauer and other employees of the medical correctional facility as prescribed by the Orthopedic Doctors of the Hospital at Casa de la, and Remotely Medication for nerve damage previously prescribed by the Veterans Administration and for the last eight years and many multiple doctors of I.D.O.C.
 3. Provide Pain Relief for the catastrophic injuries manant suffered while on duty in the service of the nation in the United States Army. Has been without his Pain Relief for five plus days, suffering sleep deprivation, and severe pain. If cannot provide, or take to Veterans Administration, then release so manant can obtain treatment from Veterans Administration himself.
 4. Demand to Hold manant and I.D.O.C. in contempt of court for Refusal to Provide Health care treatments according to later courts Final Consent Decree, and purposefully refuse manant care and punish him in causing him, again, increased pain and suffering.
- Wherefore manant Submits those Hopes and Prays this Honorable Court to Provide the Relief Demanded or any other relief this Honorable Court deems just or necessary.

Date: 6 December 2022
